

CC/2011/17

COMMITTEE ON CARCINOGENICITY OF CHEMICALS IN FOOD, CONSUMER PRODUCTS AND THE ENVIRONMENT

Paper from the Asbestos in Schools Group on ‘Asbestos in Schools: The scale of the problem and the implications’

The attached paper has written by the Asbestos in Schools Steering Group of the Department of Education and submitted to the COC for the Committee’s information. The aims, terms of reference and membership of the Steering Group were provided to Members at the last meeting, attached at Annex A of paper CC/11/10.
